

Take Trad Camp Home!

Today our word of the day at Trad Camp was:

LISTEN

You're invited to listen to a piece of music with your Camper
(parent or child can choose the piece),
and describe:

1. What you heard - describing the music. You could try some of these words:

melody, harmony, major, minor, instruments, loud, soft, tempo (speed of the music), beat rhythm, verse, chorus, bridge, mood

2. How it made you feel, and why.

Then ask the person who chose the piece how they found it? What do they know about it? Where did it come from?
